BHA	Product free of preservatives and additives

PRODUCTION PROCESS:

Consists of a method whereby chocolate (non-powder form) is immersed in a fresh infusion of jasmine green tea at specific temperature. Olive oil is then added to the mixture, but no additional substances. The mixture cools, is set in glass jars and vacuum sealed.

MODE OF CONSERVATION and DMD (date of minimum durability)

The product is conserved through **vacuum sealing** and maintained refrigerated preferably **between 3°C and 6°C**. The DMD is measured at 8°C, with a duration of **60 days**.

BREIF DESCRIPTION OF THE PRODUCT:

Chox Jasmin is a creamy dark chocolate emulsified with **green tea containing notes of jasmine**. The product does not contain any additives such as palm oil, hydrogenated fats, nor artificial aromas or colors, preservatives, or acidifiers

Chox is an innovative natural product of high quality, with an unexpected consistency, that makes it “fresh” with respect to its innovation, departure from the usual, and most importantly, the pureness of its form and flavor.

BREIF DESCRIPTION OF THE COMPANY:

Chox was born three years ago through an innovative project of the product's creator, a consultant and instructor of marketing, communication, and innovation, with a background in pharmacy and flavor science. After a period of further experimentation, development and consumer testing, the company's founder added a talented group of professionals to his staff and Chox, as we know it today, came to fruition. Chox is produced in the laboratory of chocolatier Eppigner Bom Bom a Trieste, Italy.
